Top Shelf® Epoxy A-Resin + Part B EZ

OMG BLOCKER SELECT KIT

3 gal, oil, moisture & gas blocker
fast (FC) or slow (EZ) cure

METALLIC PIGMENT

Choose from 20 unique colors.

Top coat options:

POLYURETHANE HP

Made for the toughest high-traffic areas, like forklift zones, driveway aprons, and commercial walkways.

POLYURETHANE HS

Designed to deliver both strength and elegance with a durable, high-shine finish for any space.

ALIPHATIC MC

Single-component, UV-resistant aliphatic urethane available in gloss or low gloss and best used as a top coat or as a concrete sealer.

HYDROTHANE

Water-based solution for locations that need durable protection against chemicals and which require low odor.
